Dear Valued Customer –

First and Foremost, I want to thank you for the business you choose to do with Raker-Roberta's. We know that you have options when purchasing young plants and we are honored to be your choice. Your business is much appreciated, and we will do our very best to meet and exceed your expectations for many seasons to come.

For 2024, Raker-Roberta's offers 293 Garden Mum varieties (including 11 NEW varieties), 23 EXCLUSIVE MUMBO combination liners, 15 Asters, 12 Igloo mums, and 1 Montauk Daisy.

We offer our mum liners in a variety of tray sizes to best fit your need – 51-strip tray no pinch, 51-strip tray pinched, and a 160 High Density tray for volume orders.

Your success is the best measure of our performance. Please feel free to reach out to me or any of our management team with questions and comments as we strive to become an even better company in 2024 and beyond.

Respectfully yours –
