WELCOME

SUSIE RAKER
VICE PRESIDENT

Dear Valued Customer –

And just like that, much of another Spring season is behind us. Everyone says this, but the older I get, the faster time goes. It feels like this season has gone by in the blink of an eye. And as do all of you, we have challenges pop up, we figure out how to deal with them and onward we go, looking to the future.

Thank you for choosing Raker-Roberta's Young Plants and giving us the privilege of helping you achieve your business goals. Your trust in our team at R2 allows us to deliver a product and a level of service we hope continues to exceed your expectations. Your input drives our innovation and commitment to providing the best products. Our success is dependent on your success, and each R2 employee is invested in your satisfaction.

Constantly striving to become a better company, we know we can always do better and will continue to listen to our customers and stakeholders as we work to become the top-performing young plant company in the industry. We are continuously working to redefine our processes to ensure we are delivering the highest quality products you have come to depend on.

To help us achieve our goals, we appreciate feedback to assist our growth and improvement. Please reach out to me or any R2 team member with suggestions to help us help you. We would love to hear from you.

The trust you have put in our company and our products keeps us driving forward. We truly appreciate your business, our relationships with all of you, and look forward to serving you for many years to come.

Respectfully –

Susie Raker-Zimmerman
Vice-President Raker-Roberta's Young Plants

RAKER - ROBERTA'S

Pretty. **Tough.**

Our poinsettias don't sit on shelves long, but they could if they wanted to.

That's because Selecta One® durable poinsettias have exceptional longevity from production through retail and to the consumer.

When you want poinsettias with a long shelf life, select Selecta One.
