Cut Flowers

Dear Flower Farmers & Floral Enthusiasts,

Thank you for choosing Raker-Roberta's Young Plants as your partner in growing exceptional cut flowers. Because of your continued trust and support, our Specialty Cut Flower Program continues to grow, and we're excited to share what's ahead for 2027.

This summer, we've expanded our specialty cut flower trials in the Raker-Roberta's Trial Gardens, adding even more exciting varieties to an already diverse collection. We're continually evaluating new genetics and proven performers, so you have access to the best varieties for your fields, bouquets, and customers.

Our Specialty Cut Flower Program is grown exclusively to order, allowing us to coordinate shipments around your production schedule while maintaining the exceptional service and reliability you've come to expect during the busy spring season. Specialty cut flower orders are available to ship during **even weeks (Weeks 10-52)**.

To fit a variety of production styles, our program is available in two tray options:

- **160 High-Density Tray**
- **36-Strip Tray**

Whether you're growing for florists, farmers markets, retail, or wholesale production, we're honored to be a part of your success. Your achievements inspire us to continue expanding our program and bringing you the genetics, innovation, and service that help your business thrive.

If you have questions or would like help planning your 2027 crop, I'd love to hear from you. Thank you for allowing us to be part of your growing journey. We look forward to another season of beautiful blooms together.

From our greenhouse to your fields,

Emily C Wildt
