Raker-Roberta's Young Plants

Dear Valued Customer,

First and foremost, thank you for choosing Raker-Roberta's as your trusted partner for young plant production. We know you have many options when selecting a liner supplier, and we sincerely appreciate the confidence you place in us.

Your continued support means a great deal to our team, and we remain committed to delivering the quality, service, and reliability you expect, season after season.

The 2026 Garden Mum season was a tremendous success, from liner production through finished plants, and we're excited to build on that momentum in 2027.

At Raker-Roberta's, we're proud to offer a comprehensive selection of garden mum varieties from industry-leading breeders, including **Syngenta, Gediflora, and Dümme Orange**. By offering genetics from multiple top breeders, we make it easy to source all your garden mum liners from one trusted supplier.

To meet a variety of production needs, our garden mum liners are available in the following tray options:

- 51-cell strip trays – No Pinch
- 51-cell strip trays – Pinched
- 160-cell High-Density trays for large-volume production

Your success is our greatest measure of success. As we continue to grow and improve in 2027 and beyond, we welcome your feedback and encourage you to reach out with any questions, comments, or suggestions. Our team is always here to help.

Thank you again for your partnership. We look forward to another successful season together.

With sincere appreciation,

Emily Wildt

Pink / Purple	10
Red	14
White	17
Yellow	19
MUMBOS™	24
ASTERS	27
IGLOO—(PRODUCT AVAILABLE FOR SHIPPING WEEKS 22-26)	23

CULTURE: Liners are fully vegetative and grown under long days to prevent crown budding. Liners are treated with a preventative spray for White Rust and treated with Florel during propagation to improve branching and prevent crown budding.

**Igloo's are NOT treated with Florel.

LINER SIZES: R2 offers three tray sizes to provide options for both large and small growers. In addition to our 51-strip tray (pinch or no-pinch), the 160 HD tray provides a lower cost input in a high density tray configuration. Mumbos™ are available in the 36-strip tray

FREIGHT / DELIVERY: All pricing is FOB Litchfield, MI. Please contact your broker for our 2027 freight rates based on your location for orders shipping via UPS and our 2027 Grower Truck rates per tray.

TAGS: R2 stocks tags for all Mums, Mumbos, Asters, Igloo's, and the Montauk Daisy offered. Order tags from R2 and we exactly match tag count with liner count (i.e., no wasted tags).

VOLUME LEVEL: You will receive your 2027 Raker Roberta's price level on all orders, including mums. Contact your broker for your 2027 Volume Level. Volume Levels are determined based on your total tray volume purchased in the prior calendar year across all brokers and all Raker Roberta's programs.

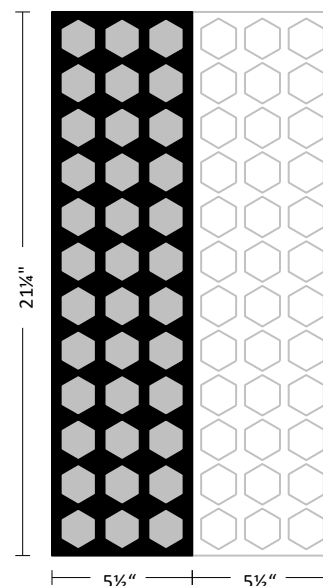

EARLY ORDER DISCOUNT: You will receive a 10% Early Order Discount on all Fall Garden Mum orders placed by 2/15/27. You will receive a 10% Early Order Discount on all Spring Mum orders placed by 11/1/26. Spring Mums available weeks 5-16, please reference the R2 2027 Spring Program.
